

GMS SNARES

THE GMS SNARE DRUM COLLECTION ENCOMPASSES ALL THE SONIC POSSIBILITIES YOU WILL EVER NEED.

From the bright, high-pitched piccolo sound you want for that R&B project to the big, deep, cavernous sound for the pop ballad, there is a drum to meet your demands. GMS snare drums are available in diameters of 10", 12", 13", 14" and 15" and depths from 4" through 10".

All snare drums in the Grand Master, Special Edition, and CL Series come standard with an 8-ply all-maple shell.
